

Peter Morgan has performed alongside some of the biggest names in smooth jazz including **Fattburger, Michael McDonald, Chris Botti** and **Phillipe Saisse**. He appears from San Diego to Portland, and Reno to San Francisco at concerts, private events and corporate functions for companies including Intel, IBM, Mercy Hospitals, and many more.

Peter received national attention when he was featured in FORTUNE MAGAZINE, and as music director and composer for numerous PBS television specials. Recently he could be heard playing guitar, dobro, harmonica and pedal steel on The CW hit show "HART OF DIXIE".

## HART OF DIXIE

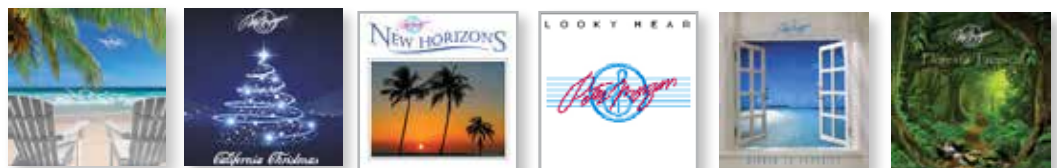

What fans of Peter's five smooth jazz albums, and his live shows may not realize, is he also can dish out high-energy party music in solo, duo and full band shows featuring soaring saxophone, rockin' guitar, and inspiring vocals. Peter can serve up sophisticated smooth jazz for cocktail hour and then whip guests into a dancing frenzy as the evening proceeds. Peter is a humorous, engaging entertainer that keeps his fans coming back for more music and fun which is likely why the readers of Folsom Style voted him "favorite musician".
